

Shop Online for YogaMobility this Christmas

If you are planning to do your Christmas shopping online, and you use Internet Explorer (version 6+) Safari (version 5+) or Netscape (version 3.5+) you can raise money for [YogaMobility](#) at no cost to yourself.

What do I do?

1. Go to the "[Support us](#)" page on the YogaMobility website.
2. Click the "Running the Give as you Live app and raise money for us when you shop online" link.
3. This takes you to the Give as you Live page.
4. Click the "Download and shop directly at your favourite online stores" to run the Give as you Live app from your desktop.

How does it work?

Give as you live has entered into an arrangement with a huge range of retailers (including Argos, Boots and Tesco) who will donate a percentage of the money you pay them for your shopping to YogaMobility.

When you shop online at the Give as you Live app will either ask you if you want to shop for YogaMobility or will automatically transfer a percentage of your payment to YogaMobility once you have paid—either way, there is no additional cost to you!
